BSB51415
Diploma of
Project Management

Why Upskilled?

- 100% online. Study anytime, anywhere.
- Nationally accredited qualifications
- Dedicated support for each participant

Gain a sophisticated understanding of the methods and techniques you’ll need to advance in order to move your career to the next level. Head in the direction of managing major project builds in almost any professional sector with the Diploma of Project Management. This contemporary course will target what you already know in the context of business; and will take your skills to the next level.

Detail

This course will give you the confidence to manage a major project from end to end. With units on planning, budgeting, reporting and scope, you’ll become confident in assessing risk, presenting your vision to stakeholders and leading team effectiveness. This qualification has so much relevance to many types of roles and business applications and could really take your career to the next level.

- **Course structure**

  The course is conducted over a 12 month period; within a self-paced online learning environment. Upskilled uses MyUpskilled to manage the delivery and assessment of your course. This means you can learn at your own pace.

- **Entry requirements**

  There are no formal entry requirements for this qualification.

  Students will need access to a computer, and the internet, and have basic computing skills. A Language Literacy and Numeracy skills assessment may be required before enrolment can be confirmed.

  Preferred pathways for candidates considering this qualification may include:

  - Demonstrated vocational experience in a range of work environments in a project management role
  - Successful completion of a Certificate IV in Project Management Practice or a
BSB51415
Diploma of
Project Management

You can learn practical, relevant concepts that you can implement in the workplace without having to do a degree that could take several years.

Andrea Vanderkly
Administration Consultant

Inclusions

Upskilled courses include specialised learning materials, and access to:
- Upskilled’s fully customised online learning platform, MyUpskilled
- Student Rewards Program
- Student Support services
- your trainer via the trainer/student messaging system
- webinars; both live and recorded sessions
- video content access via:
  - Lynda.com

Recognition of Prior Learning (RPL)

Work experience or formal qualifications you have may count towards your course. If you have previously undertaken study at a recognised institution or have some relevant work experience, you might gain credit towards specific units in a course; shortening the time you have to study. You can send your application for Credit Transfer or RPL during the enrolment process.

Assessment

Upskilled takes evidence gathered from a variety of sources to deem a student as competent. Assessment processes might include some or all of the following:
- Recognition of Prior Learning and/or credit transfer
- summative and formative assignments
- written reports and/or portfolio assessments
- scenarios and/or case studies
- projects
- written/oral questions
- regular training and assessment contact will be maintained by Upskilled in conjunction with the participant and their employer (where applicable). Critical dates during the program will be identified for participants to ensure compliance to assessment due dates, and attendance at monthly webinars as required.

Outcomes

Practicing project managers in any industry will benefit from this qualification, which is also designed to advance the professional PM endeavours of those currently working in an allied role: project coordinators, project management officers, project team members, and project administrators.

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:
- Project manager (generic)
- Project manager (industry specific)
- Project leader
- Project team leader
- Project contract manager

Who we are

Your goals are our goals

Since opening our doors in 2009, we’ve built a reputation for helping people achieve their professional development goals by offering a full-service online study experience that readily tailors to individual needs, at any point in their career.

We lead because we listen

We make sure to listen to industry contacts to understand the skills that graduates need to thrive. We listen to our course instructors when they pioneer new ways of making online learning environments more effective.

Most importantly, we listen to you—individuals investing in their future by taking charge of their own career.
More than 80 qualifications across key industry sectors

Accounting and Finance
Administration and Business
Community Services
Education
Events and Tourism
Human Resources
Information Technology

Online Short Courses
Get recognised

You can leverage your previous study and relevant work experience to accelerate your qualification through RPL. Plus, we have articulation agreements with a number of Australian universities, so certain diplomas earned through Upskilled can give you up to a year of study credit towards a bachelor degree.

Exclusive video content

To assist learner progress, Upskilled provides full and free access to the Lynda.com video training library (selected qualifications). Those studying for an IT qualification with Upskilled are also supported via Pluralsight, a digital resource incorporating more than 3,000 virtual teaching sessions.

Dedicated trainers

Highly qualified and industry experienced, our course instructors guide you through every course component to ensure that theory translates into the practical expertise that employers prize.
Online

All courses are available online and can be accessed via the online learning platform anytime, due to our rolling start dates. Having the option to access training materials and tasks anytime, anywhere means you can easily find the perfect work, life and study balance.

Nationally accredited

We are an RTO with over 80 nationally accredited qualifications in Management, Business, IT, WH&S, Finance & Accounting, Project Management, Customer Contact, HR, Community Services, Education, Retail, Marketing, Childcare, Events, Logistics and more.

Flexible payments

Select from a range of interest-free payment plans or pay upfront to receive a 15% discount. Partnering with Upskilled for a professional qualification can cost from as little as $22 per week.

Support to succeed

In addition to your dedicated trainer, Upskilled also has a support staff team available to assist should you need it, located here in Australia.
Online learning

Superior content meets innovative delivery

The MyUpskilled learning portal offers a customised study environment that combines timeless adult learning principles with digital learning aids.

We’ve evolved the online learning experience to another level with training modules that are interactive, integrated, and available whenever and wherever you are.

How does online learning work?

Upskilled supports you every step of the way. Your dedicated trainer will monitor your progress and mentor you throughout your course. Get feedback on assignments, reach your trainer via phone, email or your learning portal, and invest in your professional skills training with total confidence.
Real outcomes

Your passport to professional acceleration

Upskilled qualifications will enhance your resume, keep your skills current and fill the gaps in your knowledge base. This allows you to broaden your skill set, seek internal promotion or enhance your earning capabilities.

For those looking to make a lateral move between industry sectors, Upskilled qualifications are an invaluable tool for enabling the transition— one that speaks loud and clear to potential employers.

Customised training for your unique business

Let us design a customised course for your business needs. Explore your government funding options and get advice on filling vital knowledge gaps.

Contact us on 1300 009 924 to make an enquiry or get a quote.
Flexible payment options

Option 1 - Pay upfront to receive 15% off

When you choose to pay upfront, you receive a discount on your course fees. Check the course page of the qualification you are interested in, to see pay-by-the-week, and upfront payment costs.

Option 2 - Study now, pay later

Upskilled students are offered 24 month interest-free payment plans for eligible courses. This means you don’t need to make a deposit, and you will incur no interest for 24 months. You can get started for as little as $27 a week!

Upskilled has teamed up with Zip to offer you flexible weekly, fortnightly or monthly interest-free payment plans, allowing you start studying now without the financial burden!

Option 3 - Upskilled payment plan

Upskilled also offers its own weekly or monthly payment plans. These plans are payable over a 12 month period and require an upfront enrolment fee. Contact us for more details.

Option 4 - Government subsidised training

Depending on the state or territory you reside in (and varying eligibility criteria), you may be eligible for various forms of government funding or incentives potentially saving thousands of dollars on a course. Head to the government funding FAQ section for more detailed information.
4 reasons to Upskill today

Get the skills that take you places

We collaborate with experts and industry leaders in every field of study to compile the most modern, up-to-date course material in the Australian business landscape.

Delivery that comes to you

We’re digital, through and through. Upskilled is an expert in the online delivery mode of learning, with dedicated help desk support and education partners who are respected leaders in their fields.

Balance that helps you thrive
