DIPLOMA OF SECURITY AND RISK MANAGEMENT (CPP50611)

The dynamic and exciting discipline of security and risk management will offer graduates with the opportunity to work with some of Australia’s largest government and corporate sector organisations. The Diploma of Security and Risk Management will provide the skills and knowledge to implement security risk management plans and a thorough understanding of the methodology for analysing risks and threats.

The Diploma of Security and Risk Management is a multi-disciplinary qualification appropriate for those with a keen interest in the planning, assessment and methodology of security risk management along with risk or threat analysis. The skills and knowledge gained from this qualification will be necessary for risk investigations into natural, deliberate, accidental and perceived disasters as well as the ability to hold inquiries into threats within and to Government, Private or Corporate Organisations.

Career Outcomes

The Diploma of Security and Risk Management offers rewarding salaries, career opportunities and corporate recognition in risk management positions. Relevant position titles include:

- Risk Management Specialist
- Security Risk Adviser
- Healthcare Security Specialist
- Crime Prevention Officer
- Policy Implementation Officer
- Departmental Risk Strategist

Course Structure

The Diploma of Security and Risk Management is delivered online. Students will be provided access to the e-learning centre and will receive ongoing training support.
